**Plant Health Provision**

Dear Mr Krieg,

According to our decree dated 11/21/2008 I hereby confirm that the company 'Fritze Industrieverpackungen KG' is registered in the official plant health register of the Plant Protection Office of Berlin under the registration number DE-BE1 49001.

This registration covers the production and treatment of wooden packaging material as well as the treatment of timber under the rules of IPPC ISPM 15.

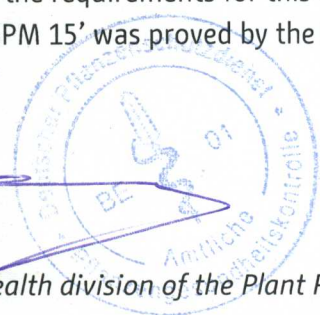

Combined with this registration 'Fritze Industrieverpackungen KG' is authorized to mark wood packaging material with the official ISPM 15 seal showing the Reg-No DE-BE1 49001.

The compliance with the requirements for this registration according to the German 'Guideline for the implementation of ISPM 15' was proved by the latest official inspection on 06/15/2018.

Best regards,

Heiko Schmalstieg

(Head of the plant health division of the Plant Protection Office of Berlin)
